See New RCA Victor Color TV with Automatic Fine Tuning (AFT)

BIG 23" DIAG. COLOR PICTURE

This decorator lowboy features automatic fine tuning—electronically locks VHF and UHF channels in tune, gives you the best possible picture fine tuning without guesswork. Up front is a big rectangular Super Bright Hi-Lite Color Tube for the most vivid color picture ever from RCA Victor. Powerful New Vista VHF and Solid State UHF tuners combine with 25,000-volt chassis to deliver sharp, clean pictures. Automatic chroma control keeps color intensity constant. RCA Automatic Color Purifier "cancels" magnetism that might cause picture impurities. Two 6" oval duo-cone speakers.
